Orders may be placed immediately by contacting our Customer Service Department at 1 (800) 526-0175.

We have sent this message in order to address confusion regarding the product's availability following a recent, voluntary, and brief hold placed on the 0.025mg strength. Please be assured that the minor packaging issue has been completely resolved.

If you have any questions or need assistance, please contact the Novartis Customer Service department at 1-800-526-0175.

We sincerely appreciate your understanding and apologize for any inconvenience this may have caused you.

Thank you for your continued support of the Novartis Pharmaceuticals' product line.
