

Dear Pharmacist,

The new owner, Aton Pharma, Inc., is a global specialty pharmaceutical company providing unique medicines to patients around the world. With seven products and sales in 32 countries, we are a global leader in providing essential treatments for rare diseases. We are a patient focused company with a culture dedicated to improving the quality of life for people who need our medicines.

LACRISERT® is a Once-daily,* preservative-free 5 mg insert which extends tear life for all-day lubrication and protection.

* Some patients may require the flexibility of twice-daily dosing for optimal results.

For More Information, visit www.LACRISERT.com or call 1- 877-**ATON**-549 (1-877-286-6549)

MEPHYTON® is the only prescription Vitamin K Tablet available in the US indicated to manage elevated INRS.
