Novartis Medication Assistance Programs

Novartis Pharmaceuticals Corporation Patient Assistance Program (PAP)*

- Provides access to medications for patients experiencing financial hardship who have no private or public third-party insurance coverage for their medications
- For more information, call 1-888-NOW-NOVA (1-888-669-6682) or visit www.pharma.us.novartis.com/novartis/pap/pap.jsp

Together Rx Access™ Card*

- Created as a public service by pharmaceutical companies, including Novartis, to help qualified individuals and families without prescription drug coverage save on brand-name prescription drugs (25% to 40%), other prescription products, and a wide range of generic drugs
- For more information, call 1-888-NOW-NOVA (1-888-669-6682) or visit www.togetherrxaccess.org

The EXFORGE Patient Copay Assistance Card*

- Helps patients with out-of-pocket prescription expenses for EXFORGE
- For more information, call 1-866-465-6987

*Certain restrictions apply to each program described. For details, refer to the telephone numbers and Web sites noted above, or speak with your Novartis representative.
