Ask your patients if they have a separate
Prescription Benefit Card

If your patients are among the 90 million employer lives covered by one of the three largest PBMs (CVS Caremark, ESI, or Medco), they may be carrying their **Prescription Benefit ID Card**, which is separate from their Medical Benefits ID card. If your patients are covered by any one of these 3 PBMs, EXELON Patch may be available to them at the lowest branded co-pay tier.
