Benefits:

- Proven clinically effective in the treatment of athlete's foot, jock itch, and ringworm
- Recommended by physicians when other antifungal products fail
- Treatment regimen: two applications per day
- Protects the skin from excess moisture
- Holds medicine in place

Directions:

Clean affected area and dry thoroughly. Apply a thin layer over affected area twice daily (morning and night) or as directed by a doctor. Supervise children in the use of this product. For athlete's foot: pay special attention to spaces between the toes; wear well-fitting, ventilated shoes, and change shoes and socks at least once daily. For athlete's foot and ringworm, use daily for 4 weeks; for jock itch, use daily for 2 weeks. If condition persists longer, consult a doctor. This product is not effective on the scalp or nails.
