Ask your UCB sales representative about our **\$7.50 coupon program.**

NDC# 53014-548-67

IMPORTANT SAFETY INFORMATION

TUSSIONEX[®] is indicated for the relief of cough and upper respiratory symptoms associated with allergy or a cold in adults and children 6 years of age and older. Each teaspoonful (5 mL) of TUSSIONEX[®] contains hydrocodone polistirex equivalent to 10 mg hydrocodone bitartrate and chlorpheniramine polistirex equivalent to 8 mg chlorpheniramine maleate. TUSSIONEX[®] is contraindicated in the presence of known allergy or sensitivity to hydrocodone or chlorpheniramine and in children less than 6 years of age. The most common adverse reactions associated with TUSSIONEX[®] are sedation, drowsiness, and mental clouding, which may impair the mental and/or physical abilities required for potentially hazardous tasks.

As with any other drugs in this class, the possibility of tolerance and/or dependence, particularly in patients with a history of drug dependence, should be considered.

*Based on pharmacokinetic data.¹
