

September 1, 2009

Dear Healthcare Professional,

You may be aware that another manufacturer has launched an AB rated generic version of Xopenex<sup>®</sup> (levalbuterol HCl) 1.25mg/0.5mL 63402-0515-30. The launch of the generic product is limited to the 1.25mg/0.5mL levalbuterol concentrate version of Xopenex<sup>®</sup> 63402-0515-30 inhalation solution. The manufacturer has not launched any other dosage strengths of Xopenex<sup>®</sup> levalbuterol inhalation solution.

**IMPORTANT POINTS:**

- To address the launch, and remain competitive for Xopenex<sup>®</sup> (levalbuterol HCl) 1.25 mg/0.5mL 63402-0515-30, Sepracor has modified its agreements with its contracted group purchasing organizations (GPO) to provide competitive pricing for their members.
- Contact your GPO and/or wholesaler to obtain the specific details about the revised contract offering for Xopenex<sup>®</sup> 1.25mg/0.5mL 63402-0515-30.

For any additional questions, please contact your Sepracor representative or the Sepracor Customer Assistance Center @ 1-888-394-7377.

Thank you for your continued support of Xopenex<sup>®</sup> (levalbuterol HCl) 1.25 mg/0.5mL 63402-0515-30.

Sincerely,

Don Robertson  
Executive Director, Contracts & Pricing
