

Real People. Important Work.

At Concord Hospital, sophisticated healthcare begins with people who envision the ideal experience, then make it happen. Real, reliable people who invest their energy to make us an outstanding regional medical center. In fact, everything that we do at Concord Hospital would not be possible without dedicated people working together to make it a reality. It's no wonder that lots of people say they simply "love it here."

Please consider joining us in the following role:

Operations Manager – Pharmacy Services

Concord Hospital, Concord, New Hampshire

Under the general direction of the Director of Pharmacy Services, this position is responsible for the operational management of the Pharmacy Services department by supervising professional and technical staff. This position manages one subordinate supervisor who supervises approximately 33 Pharmacy Technicians and is responsible for the overall direction, coordination, and evaluation of the department. In addition, directly supervises approximately 20-25 Pharmacists, Pharmacy Interns and students. Responsibilities include interviewing, hiring, and training employees; planning, assigning, and directing work; appraising performance; rewarding and disciplining employees; addressing complaints and resolving problems.

A Bachelor's Degree in Pharmacy is required; PharmD or graduate degree in pharmacy or business preferred. Licensed Pharmacist in the State of New Hampshire and a minimum of five years of experience in an acute care setting and three to five years of progressively responsible experience in a hospital pharmacy is also required.
