This revolutionary, modern design enables pharmacists to greatly reduce the time required to fill prescriptions or count inventory. Thus, allowing pharmacists more time to tend to the needs of clients. Small and economical enough to place at each dispensing station.

1. Pour Stock into Counter

TCG's Technological Advantages:

- Economical
- Hands-free Counting
- Counts Scripts
- Rapid Counting *(100 pills in less than 25 sec.)*
- No Adjustments Required
- Counts Inventory
- Quiet

2. Pills Count Automatically

3. Return Stock

4. Fill Vial

Easy to Clean

All pill pathways are visible with easy access for cleaning.

To clean simply remove:
   Top cover
   Spiral
   Bowl
   Both pill trays

Once all the above components have been removed, they can be individually cleaned using a lint free cloth dampened with isoprohyl alcohol.

Simple to Use

1. Enter prescribed amount.
2. Select pill type.
3. Press *Start/Stop* button.
4. Pill count is displayed in *Count* window.
5. Status is displayed in the top four indicators.
6. Count may be paused by pressing the *Pause/Cancel* button.
7. Counting is automatically paused when more pills are required.
8. Count can be aborted by pressing the *Start/Stop* button.
